LIFE THAT CONVERGES SEAMLESSLY WITH ART, NATURE AND ARCHITECTURE.

Sanctuary 105 is an ideal retreat from the hustle and bustle of real Gurugram. The complete project with future phases spans 13.07 acres. These 11 towers are a true marvel of architecture, designed to give each resident a single neighbour for a sense of individuality without intruding into anyone's personal space. A hub of Art, Culture, Nature, and Architecture, these works of art blend contemporary aesthetics with an ineffable sense of grandeur. The stylish and modern design elements are crafted to remind the residents of the happy life that lies ahead.

SOFTENING THE ARCHITECTURE WITH A DASH OF NATURE.

Ever wondered what living with art, culture, and nature is like? Sanctuary 105 is an address that merges these contrasting elements of art, architecture, and nature to bring them together in one incredible location. So, walk into this living, breathing piece of art.

A SANCTUARY THAT PUTS THE HEART IN ART.

Sanctuary 105 is an art and culture-filled neighbourhood designed to remind its patrons what living in a work of art feels like. With street art and installations at unexpected locations, this obscure nook is extremely rare in a city known for its pace and madness. Sanctuary 105 is a true artistic quarter, budding with vibrant streets that bring about an essence of celebration at every corner.

EMBODYING A MODERN AND CONTEMPORARY GRANDEUR WITH ART DECO.

Sanctuary 105's architecture is inspired by Art Deco, which blends the contemporary with the modern and brings about a sense of grandeur courtesy of its artsy design. With nature as its backdrop, the space structure is organised based on garden roads, green spaces, and modern expression techniques that interpret the landscape. The layers of green pockets are combined with water views that etch seamlessly into the minds of the residents and create a true masterpiece.

LIVING MADE GREENER AND HAPPIER.

With green, open spaces around every art installation, the project is a true nature lovers' dream. With nature as the backbone of Sanctuary 105, the project is a haven brimming with nature and art. This will transcend you to a green and serene space the moment you step inside. So, what are you waiting for?

RIGHT NEXT TO ALL THE ACTION, YET SEEMINGLY NOT.

Situated right on Dwarka Expressway, Sanctuary 105 is truly in the middle of all the action. Being close to the Airport, Asia's Largest Conventional Centre - Yashobhoomi, the famous Shiv Murti and the upcoming Diplomatic Enclave, this location is next to everything of interest. With great connectivity to Delhi, other parts of Gurugram and Manesar, no distance will now be too far.
